

WSPP Inc.
Third-Party Web Posting Guidelines

Background: From time to time, WSPP Members and other entities within the energy industry (“Non-Members”) seek to post event announcements and requests for proposals, among other things, on WSPP’s website (collectively “Industry Announcements”) for viewing by WSPP Members and other website visitors. Recognizing that such Industry Announcements may be of benefit to WSPP Members while needing to protect the integrity and value of the WSPP website, the guidelines set forth below should be followed.

General: Industry Announcements shall be of broad interest to the energy industry, and will be posted at the discretion of WSPP Inc. Industry Announcements shall remain posted until the latter of one day following the date of the event being announced, if any, or the expiration of thirty days following posting.

Posting Priority: Industry Announcements shall be secondary to WSPP’s mission and business. The link for Industry Announcements shall therefore appear at the bottom of the WSPP home page and shall connect the website user to a secondary page on which Industry Announcements shall appear in the order received.

Service Fees:

- WSPP Members – Industry Announcements shall be posted at no charge for WSPP Members as a member service.
- Non-Members – Industry Announcements for Non-Members shall be accepted for posting upon payment of a \$200.00 service fee. Associated service fees shall be invoiced and payments received will be promptly deposited in WSPP’s account in accordance with Section 8.2 of the WSPP Bylaws.

Disclaimer: The Industry Announcements page shall bear the following disclaimer:

INDUSTRY ANNOUNCEMENTS are posted on the WSPP website as a WSPP member service at the request of organizations and entities in the energy industry. WSPP receives a service fee for each Non-Member posting. WSPP reserves the right to decline to post any particular announcement. WSPP does not sanction announced events and disclaims responsibility for the accuracy of posted announcement or any associated events. Please contact Duane Farmer at operatingagent@wspp.org if you would like to request an Industry Announcement posting.

Effective Date: November 10, 2011
