1:50 – 2:00	Review of changes from Call #1; tie up loose ends; look forward

(Times indicated are best estimates)

Thanks to those members who contributed the comments appearing in the Discussion Copy. A redline resulting from this second call/webinar will be circulated by Monday (7/1) afternoon. All comments received by noon on Wednesday, July 10, will be incorporated in the Discussion Copy for Call #3.

Call #3 on July 11 will cover Secs. 4-6 and Secs. 8-9, with a review of the changes made in today's call.

The final in-person Contract Subcommittee Meeting on the Specified Source Initiative is scheduled for July 30, 9:00am to 3:00pm, in Southern California Edison's offices. Please see the WSPP website (wspp.org) for more information and to register.

Your participation, comments and questions are greatly appreciated.
